CAREER OBJECTIVE

I am a passionate UI/UX Designer with a strong interest in creating clean, user-centered, and visually appealing digital experiences. I enjoy transforming ideas into intuitive designs through research, wireframing, and prototyping. With a background in computer science, I combine design thinking with technical understanding to solve real-world problems.

PROFESSIONAL EXPERIENCE

Internship

Jun 2025

Frontend Development – Notasco Technologies Pvt Ltd | 15 days | Offline

- Developed frontend components and assisted in building interactive web pages using React.js.
- Developed a To-Do List application using HTML, CSS, and JavaScript with features to add, edit, and delete tasks.

PROJECTS

E-Commerce App UI/UX Design | Figma

- Designed a user-friendly e-commerce mobile app with wireframes, prototypes, and modern UI screens.
- Improved shopping experience through intuitive navigation, product browsing, and checkout flow.
- Applied UI/UX principles to create visually appealing and user-centered designs.

Food Delivery Mobile App UI/UX Design | Figma

- Designed a food delivery mobile app in Figma.
- Created wireframes and interactive prototypes.
- Improved user experience for food ordering and checkout.

AI Career Guidance App UI/UX Design | Figma

- Designed an app that helps students choose careers based on skills and interests.
- Created personalized dashboards, career roadmaps, and skill-tracking screens.
